Letter from the Board of Right to Life McHenry County

Welcome to the 2020 Right to Life McHenry County Signature Ad. We are delighted by the outpouring of support for this year’s ad. Thank you to all who participated and joined in solidarity with other pro-lifers in our community to stand up for LIFE. We would like to express our appreciation to all the pro-life coordinators who helped organize this campaign. It’s a lot of work and we couldn’t do it without you.

Speaking of work, we have a lot to do in Illinois. In 2019 the Reproductive Health Act (RHA) became law, expanding access to abortion while stripping away virtually all rights from the unborn child. According to the RHA, “A fertilized egg, embryo, or fetus does not have independent rights under the laws of this State.”

The far-reaching RHA repealed several laws that placed restrictions on abortion. For example, one law that was fully repealed was the Partial-Birth Abortion Ban Act. It is worth noting the original language of this act which describes a partial-birth abortion as, “...an abortion in which the person performing the abortion partially vaginally delivers a living human fetus or infant before killing the fetus or infant and completing the delivery. The terms ‘fetus’ and ‘infant’ are used interchangeably...” The language is stunning – the reference to the “killing” of an “infant.” Past legislators realized the depravity of allowing such a cruel and tortuous act to be committed against the most vulnerable among us, and so banned this appalling procedure. Now, with the passage of the RHA, the law that once protected unborn babies from this horrific practice has been erased from the books.

Another bill pro-abortion legislators are pushing is the repeal of the Parent Notice of Abortion (HB2467). The law currently requires an abortion provider to notify a parent or guardian of their minor daughter’s intent to have an abortion 48 hours before the procedure. If this law is repealed, it puts minor girls at even greater risk of being victimized and undermines the rights and duties of parents to protect and care for their children.

Abraham Lincoln said, “No law can give me the right to do what is wrong.” It would appear that the pro-abortion majority in our legislature would disagree. We would like to encourage you to make a difference by getting involved in the legislative process. We can file witness slips supporting or opposing bills in the Illinois General Assembly, contact our elected representatives to voice our concerns and certainly exercise our right to vote. Please see page 7 for some suggestions.

Our current culture provides convincing evidence that basic moral values in America have become so twisted that “good” is called “evil,” and “evil” called “good.” Speaking the truth today can be met with great resistance. Let’s speak the truth anyway, and stand up for what is good, right and just, in order to defend the unborn, the weak and the marginalized. We must be the voice for the voiceless and continue to pray for our country, our legislators, and a respect for all human life from conception through natural death.

Sincerely,
Right to Life McHenry County Board of Directors

Illinois Legislative Process How a Bill Becomes a Law (Public Act)

Note: Each Illinois General Assembly runs for two years. The current 101st ILGA begins its second year January 2020.

- 1) One of the two chambers (Senate or House) of the Illinois General Assembly (ILGA) introduces a bill (Senate bills begin with SB... and House bills begin with HB...).
- 2) The bill must be read in each chamber on three different sessions:
 - a. 1st Reading: The bill is read on the floor of the originating or first chamber and is assigned to a substantive/standing committee or subcommittee.
 - b. 2nd Reading: If the bill passes out of committee, it is read on the chamber floor a second time. There may be floor amendment(s) proposed.
 - c. 3rd Reading: The bill is voted on.
 1. If it passes the first chamber, the bill moves to the opposite or second chamber.
 2. If it fails, the bill either dies or is put on hold until the second year where it is taken up again for review.
- 3) Once the bill reaches the second chamber, it follows the same process in Step 2 above, beginning with the 1st Reading.
 - a. If the bill passes the second chamber, with no amendment(s), it goes to the governor.
 - b. If the bill passes the second chamber, with amendment(s), it goes back to the first chamber for concurrence (vote).
 1. If the first chamber concurs, the bill goes to the governor.
 2. If the first chamber does not concur, the bill returns to the second chamber where they either:
 - i. Recede (withdraw) from the amendment(s) and the bill goes to the governor.
 - ii. Refuse to recede from the amendment(s) and a conference committee is appointed to recommend a compromise of the bill. If both chambers agree with the compromised version of the bill, it goes to the governor.
- 4) If the governor approves the bill, it becomes a law.
- 5) If the governor places any kind of veto on the bill, it must return to both chambers for concurrence or be overridden, starting with the originating chamber.
 - a. If both chambers concur with an item, reduction or amendatory veto from the governor, the governor signs the bill and it becomes a law.
 - b. If both chambers do not concur, they can vote to override the governor's veto and the bill becomes a law in the form originally passed (called an override veto).

Legislative Sessions

There are two Legislative Sessions in Illinois:

- 1) Spring Session: Runs January - May
 - Bills are introduced.
 - Legislators have until the end of May to pass bills.
 - If a bill is not passed in the first year of the Illinois General Assembly (ILGA), it may be put on hold until the second year and revisited.
- 2) Fall Session: Scheduled for 6 days between either Oct/Nov or Nov/Dec
 - Vetoed bills are addressed (i.e. overrides, concurrences)
 - Bills that do not become laws within the two years of the ILGA are assigned a status of "sine die" and are purged from the system.

Note: The governor can call a special session at any time.

How Can I Get Involved?

- 1) Sign a **Witness Slip** supporting or opposing a bill. You can only complete a slip for a bill that has been assigned to a standing committee. The Rules Committee (in the House) and Assignments (in the Senate) are holding places, not committees:
 - a. Go to the Illinois General Assembly website at www.ilga.gov.
 - b. From the "HOME" page, search for the bill by **Bill Number** or **Keyword(s)**. - From here you can read the entire bill, find voting history, file a witness slip and view all actions on the bill; just click the appropriate link.
